METAL HANGING LIGHTS

INVENTIVE | INNOVATIVE | INSPIRING

Without the endless scope for design facilitated by the latest lighting technologies, it is impossible to create the desired lighting mood and room atmosphere: from the colour of the light, through its temperature to the beam angle. From diffuser to reflector, everything can be individually combined with the corresponding luminaire.

Why us?

Innovation – it's what drives everything we do. ANKUR Lighting's leadership begins with innovative products that provide high-efficiency performance coupled with super elegant design found within our product portfolio. With **over 37 years** of experience in the lighting industry, ANKUR Lighting has a deep understanding of science behind lighting and provides a complete collection of indoor and outdoor lighting solutions for both commercial and decorative lighting range to match your application.

ANKUR Lighting is not just a provider of superior lighting products; we're also the manufacturers. With the first factory setup in 1980, Ankur Lighting has grown to manage bigger, better, state-of-the-art manufacturing units with capacity to serve projects of any size.

ANKUR Lighting has a large presence across India. From company owned stores, to many Franchises and authorized dealers, ANKUR Lighting plans on making itself a neighborhood friendly lighting store to all its loyal customers. To locate the company presence conveniently, visit the website at www.ankurlighting.com

To compliment it all, ANKUR Lighting offers a world-class customer service. There exists a dedicated team of customer service professionals in the company whose only job is to make the customer's after-purchase experience stress-free. Simply send an email to aftersales@ankurlighting.com and you'll have a response from our service professional within 48-hours – cannot get easier than that!

After all being said, in its 37 year and counting history, Ankur Lighting has a proven track record in lighting up homes and projects of millions of customer's, some of which include royalties like business tycoons, movie stars, top cabinet ministers and owners of the Fortune 50 companies in the world.

"Seeing is truly believing since 1979"
Ankur Lighting

Dedicated to all those for whom light is important, who know that every room, every object and every project is unique. For all the creatives and designers who want to make something new and extraordinary every day. For all those who want to set the perfect mood and atmosphere. Free of any constraints or limitations.

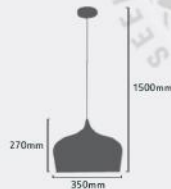

Götzens

ANKUR LS-3527

The ANKUR Beat DOME Light Pendant - Fat is an updated version of the original Beat, with a glossy white lacquer that enhances the pendant's distinctive curves. These curves and inner hammered texture are created by hand via a specialized spinning and beating technique.

The idea for these 'Hide' leather lights came to Ben as a bolt out of the blue. 'I literally woke up one morning and thought, 'what about leather lights?' says Ben. 'After researching forming techniques and looking at my leather bicycle seat, we knew that there was an opportunity to create a shade using this type of production, and incorporate it into lighting, creating something very bespoke and new in the market'
