

#### **VISION**

Ankur aims to fill the void of smart automation in their customer lives. We offer smart retrofit solutions which bring efficiency, security, accessibility and affordability. In combination with those benefits, we bring comfort, convenience and luxury to every home, corporate office or hospitality, be it a new or pre-constructed building.

#### **ABOUT US**

Founded in 1979 by (Lt). Shri R.K. Shah with the philosophy of manufacturing lighting fixtures which would be attra ctive and simple to install. From the modest beginnings of a one-showroom, one-factory facility, ANKUR LIGHTING, has now grown to become one of the largest manufacturers, retailers wholesalers and distributors in the world of lighting. Today we command leadership amongst specialty LED indoor, outdoor, technical, arc hitectural and customized lighting. We have a process of continual upgrading our products through rigorous R&D that done in-house, running on our toes to providing better lighting solutions for every need. ANKUR LIGHTING has a total commitment to a "Customer First" attitude and to being consistently superior to competitors in fulfilling customer needs. ANKUR LIGHTING's mission is to become the only lighting "One stop lighting solution provider" haven where "Seeing is truly believing".
