If there was one thing I could use more of, it's USB charging blocks. I can't tell you how many times I've left my tablet or smartphone USB block in a hotel or a friend's home.

Companies like Accell understand my charging woes and have started to incorporate USB inputs into their outlets. As an example, take the [Accell PowerGenius Rotating 4-Outlet Surge Protector with Dual USB Charging](#) (\$22 USD). Not only does it feature two USB charging ports, but it has four outlets that rotate for easy access.

The Accell PowerGenius also has some unique to its unit that other surge protectors
