

Powramid Air-Power Center and USB Charging Station

The Ideal Power Solution for Home or Office Use

The Powramid Air Power Center and USB Charging Station features 6 adapter friendly outlets. Its round, flat design makes it perfect for placement on top of a desk or a conference room table, providing easy access to multiple power outlets. The two USB charging ports with smart chips provide a combined 2.4A of fast charging for USB powered devices such as mobile phones, tablets, and portable music players.
