## STILL - CHARDONNAY

**RRP £26**

This Chardonnay hails from the wonderfully ripe harvest of 2022. It has wonderfully pronounced citrus, blossom and grapefruit aromas, with a hint of honey and pear. The palate is clean with refreshing green apple and a creamy texture that balances well with its natural acidity.

As it had its first vintage in 2020, we haven't had many chances to enter our STILL Chardonnay in to industry competitions. However, we tried our luck at the Wine GB Awards in 2021 and 2022, and didn't do badly at all:

## STILL - ROSÉ

**RRP £20**

A beautiful pale salmon pink colour with vibrant notes of pomegranate, strawberries and raspberries on the nose and hints of freshly cut hay. On the palate, fresh cherries and raspberries compliment a lovely texture that lingers in the mouth - an absolute favourite for all Rosé fans.

The production of our STILL Rosé is limited to vintages with exceptional ripening conditions. That's why we were thrilled for it to receive a Silver medal at the Wine GB Awards in 2020:

# MAGNUMS

---

When one bottle isn't enough, go large and splash out on a magnum of our delicious sparkling wines - they say this is the best way to enjoy traditional method sparkling wine at its finest.

Is bigger really better though?

In short, yes!

A magnum holds twice the amount of wine as a standard bottle but has the same neck size, so the air content is the same. This allows the magnum to mature at a slower rate over a longer period of time to create a more complex and refined taste whilst remaining fresher for longer and retaining its fruit flavours.

Our magnum bottles can be engraved with a personalised message or a company logo.
