HOW TO MEASURE

MEASURE YOURSELF (NOT YOUR ARMOR)

Compare your chest, waist, hip and inseam measurements with our fit guide to help you determine what size best suits you. Our garments are designed to fit true to size over armor. No need to size up, we've done the math for you.

POINTS OF MEASUREMENT

Not sure exactly where to measure? See our descriptions below to easily identify the points of measurement. Once you have taken your measurements, compare them to the chart at the left and find your fit.

- A** • **Height:** With your back on a wall, place feet together flat on the floor. Measure from the top of your head to the ground.
- B** • **Chest:** Measure around the chest one inch below your underarms.
- C** • **Sleeve Length:** Measure from the center back of your neck, across the shoulder and down to your wrist.
- D** • **Waist:** Measure around your torso at the navel.
- E** • **Hip:** Measure around the widest part of your hip.
- F** • **Inseam:** Without shoes, measure the height of your leg from your crotch down to the floor.
