Special Edition Colour Chart

Please note - The colours below are to be used as a guide, in conjunction with photos on the website to help with colour decisions.

Special Edition Colours are available for a limited time only in sizes 120ml and 500ml

Simply Yellow

A burst of sunshine and happiness. You can't help but look at this colour and get a warm tingle of joy. Energising and uplifting, this light yellow is the perfect colour to put a smile on your face. Team it with New White to keep it fresh or pair it with Ink Navy for something bold.

Forest

Bring a touch of nature inside with this beautiful bold green. This commanding colour can be used to create a variety of styles from rustic and organic to modern and sophisticated. A captivating deep green perfect for a statement piece. Pair with gold or brass hardware.

Marine

The allure of Marine is a tantalising fusion of brilliant blue and luscious green pigments that dance together in perfect harmony. Pair it with Simply Yellow for something bold and fun or with New White to keep it light and fresh.
