

FIERY MALE

livlong.ca | 1-844-246-5997

WHAT IS IT?

Fiery Male is a natural formula designed for men to balance hormones, increase testosterone, and increase libido. This formula contains 16 ingredients that work synergistically together to balance male hormones.

WHAT DOES IT DO?

Fiery Male helps improve sexual well being by balancing male hormones. This includes increasing testosterone and increasing libido and energy. Some benefits include optimizing physical capacity and performance, supporting cognitive function and reducing mental fatigue, maintaining immune function, helping to increase sperm count, and improving prostate health.

WHO WOULD BENEFIT:

- Males with hormonal imbalances
- Males with infertility
- Males with low libido
- Those with low energy
- Those under high physical or mental stress
