

SAFETY DATA SHEET

Section 1: Identification

Product Name: Dip Powder **Chemical Name/Synonyms:** N/A

Company: Fairy Glow

Manufacturer Name: Fairy Vial, LLC

Manufacturer Address: 10601 Clarence Dr. Suite 250 Frisco, TX 75033

Manufacturer Tel/Fax: 8323637232

Manufacturer Email: sydney@fairyglamor.com

In emergency call 911.

For information about this SDS, use this department contact phone#: 13168824682

Section 2: Hazard(s) Identification

See https://www.sigmaaldrich.com/safety-center/globally-harmonized.html for a list of hazard classifications, signal words, hazard statements, pictograms, precautionary statements, and a description of hazards.

Hazard Classification: Serious eye damage/eye irritation category 2A.

Signal Word(s): Warning

Hazard Statements: H319: Causes serious eye irritation.

H317: May cause an allergic skin reaction.

Pictograms:

Precautionary Statements:

P261: Avoid breathing dust/fume/gas/mist/vapors/spray.

P262: Wash hands and exposed skin thoroughly after handling.

P272: Contaminated word clothing should not be allowed out of the workplace.

P280: Wear protective gloves/protective clothing/eye protection/face protection.

P363: Wash contaminated clothing before reuse.

P302+P352: If contact with skin occurs: Wash with soap and water.

P305+P351: If contact with eyes occurs: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do—continue rinsing.

 ${\tt P333+P313:} \ If \ skin \ irritation \ or \ rash \ occurs: \ Get \ medical \ advice/attention.$

P501: Dispose of contents/container to an authorized disposal facility.

Description of other hazards: N/A

Section 3: Composition/Information on Ingredients

Chemical Name	Synonym	CAS#	Conc.
Polyethylmethacrylate	N/A	9003-42-3	90%-
			100%
Benzoyl Peroxide	N/A	94-36-0	1%-5%
Titanium Dioxide	CI 77891	13463-67-7	<1%

Section 4: First-Aid Measures

After skin contact: Wash with soap and water. If you feel unwell, consult a doctor.

After eye contact: Rinse with water for several minutes. Remove contact lenses. Consult a doctor if feeling uncomfortable.

After inhalation: Move into fresh air. If breathing is difficult, give oxygen. If not breathing, give artificial respiration. Seek medical attention immediately.

After swallowing: If ingested, rinse mouth with water. Do not induce vomiting. Never give anything by mouth to an unconcious person. Seek medical attention immediately.

Section 5: Fire-Fighting Measures

Suitable extinguishing agents: Chemical foam, carbon dioxide, water mist **Special protective equipment for firefighters:** As in in any fire, wear self-contained breathing apparatus (MSHA/NIOSH approved or equivalent) and full protective gear. Extinguish fire at a safe distance. Prevent fire extinguishing water from contaminating surface water or the ground water system.

Section 6: Accidental Release Measures

Personal precautions: Avoid contact with eyes. Evacuate personnel to safe areas. Keep people away from upwind of spill/leak. Wear appropriate protective measures (SEE SECTION 8).

Measures for environmental protection: This product has no hazard to the environment. Don't discard in the surrounding environment without government permission.

Measures for cleaning/collecting: Remove by liquid absorbing material (e.g. kieselguhr). Adhered or collected material should be prompty disposed of. Disposal of discarded waste/pollutants refers to SECTION 13.

Section 7: Handling and Storage

Handling: Use in well ventilated areas. Avoid contact with skin, eyes, and clothing. Avoid breathing dust. Use good personal hygeine and housekeeping. Avoid prolonged contact with the product. Use in a well-ventilated location. After use, wash exposed skin. Do not eat, drink, or smoke while handling product.

Storage: Store containers in a cool, dry location, away from direct sunlight, heat, sparks, flame, other light sources, or sources of intense heat. The temperature should always remain at or under 72°F (22°C). Storing above recommended temperature will cause product performance issues. Store in accordance with National Fire Protection Association recommendations. Observe all label precautions until the container is cleaned, reconditioned, or destroyed.

Section 8: Exposure Controls/Personal Protection

Chemical Name	OSHA PEL	OSHA PEL (ceiling)	ACGIH OEL (TWA)	ACGIH OEL (STEL)
N/A	N/A	N/A	N/A	N/A
N/A	N/A	N/A	N/A	N/A

General protective and hygienic measures: Provide adequate ventilation. Where reasonably practicable, this can be achieved by the use of local exhaust ventilation. If this is not sufficient to maintain concentrations of particulates and solvent vapour below the OEL, wear respiratory protection. Ensure eyewash stations and safety showers are proximal to the work-station location. **Breathing equipment:** Wear a filter mask. If exposure limits are exceeded or if irritation or other symptoms are experiences, use a full-face respirator with multi-purpose combination (US) or type AXBEK (EN 14387) respirator cartridges.

Protection of hands: Wear protective gloves (such as butyl rubber), passing the tests according to EN 374(EU), US F739 or AS/NZS 2161.1 standard.

Eye protection: Wear protective goggles during work. Comply with European Union EN 166 or the U.S. NIOSH standard. If contact with eyes occur, flush with plenty of water. If you experience discomfort seek medical advice.

Section 9: Physical and Chemical Properties

Form: Powder Odor: Faint pH: No Data

Melting point/melting range: No Data **Boiling point/boiling range:** No Data

Flash point: No Data Evaporation rate: No Data

Auto ignition temperature: No Data Danger of explosion: No Data Vapor pressure: No Data Vapor density: No Data Relative density: No Data

Solubility in/Miscibility with water: Partially dissolved in water

Section 10: Stability and Reactivity

Reactivity: N/A

Chemical stability: Stable under recommended storage and handling conditions (SEE SECTION 7)

Conditions to avoid: Fire and open flames.

Incompatible materials: Strong oxide, acid and alkali.

Hazardous decomposition products: Hazardous polymerization will not occur.

Section 11: Toxicological Information

Acute toxicity: No information found.

Potential routes of exposure/potential health effects

Skin: No information found.

Eye: Product contact with eyes may cause irritation.

<u>Inhalation:</u> No information found. <u>Ingestion:</u> No information found.

<u>Carcinogenic effects:</u> No information found. <u>Mutagenic effects:</u> No information found. <u>Reproductive toxicity:</u> No information found.

<u>Sensitization:</u> No information found. <u>Target organs:</u> No information found.

Section 12: Ecological Information (non-mandatory)

Ecotoxicity: According to the environmental protection laws, this product can't be poured into sewers or drainage ditches. It cannot be discarded in places which would affect soil and underground water.

Mobility: No data available.

Biodegradation: No data available. **Bioaccumulation:** No data available.

Section 13: Disposal Considerations (non-mandatory)

13.1 Handling for Waste: Handle waste according to local regulations. Contact specific waste disposal company or companies recommended by local laws.

Section 14: Transport Information (non-mandatory)

DOT regulations: Not Regulated, Polymer, NOS

• Hazard class: Not classified.

- Land transport ADR/RID (cross-border): Not classified.
- ADR/RID class: Not classified.

Maritime transport IMDG: Not Regulated, Polymer, NOS

Air transport ICAO-TI and IATA-DGR: Not Regulated, Polymer, NOS

• ICAO/IATA Class: Not classified.

Section 15: Regulatory Information (non-mandatory)

State of California Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65): WARNING! This product contains the following chemicals which are listed by the State of California as carcinogenic or a reproductive toxin:

- None

SARA 313

Benzoyl Peroxide 94-36-0 US State Right-to-Know Regulations - None

Regulations

EINECS: All Components Listed: Yes

SARA Hazard categories: All Components Listed: No

TSCA Inventory: All Components Listed: Yes

Section 16: Other Information

SDS date of preparation/update: 12/15/2023
