

Bracelet Size Guide

Measuring your wrist is the best way to determine your correct size. Before using the ruler to find your fit, make sure the guide is printed to scale (100%) on US letter size paper (8.5x11") Measure the below 2" scale for accuracy.

Cut out the ruler.
 Measure your wrist with the ruler.
 Cut a horizontal line at the "cut here" line.
 Wrap the ruler around the wrist where you would like the cuff to fit. Slip the numbered end through the horizontal opening and pull until the ruler is flush against you.
 The number that lines up with the edge of the opening is your wrist size (inches).
 Choose the size closest to your wrist and enjoy your new hand made bracelet.

Size	Wrist Circumference
XS	5"
S	5.5"
M	6"
L	6.5"
XL	7"
