Driving Directions to Glazer's Rentals from I-5:

From I-5 North or South take the Mercer Street exit, continue straight on Mercer street, turn left on Dexter Avenue, Glazer's Rentals will be on your right. We have a loading zone in front of the store for pickups and dropoffs, or you can park for free in our retail store garage on 8th & Republican, a couple blocks away.

FAQ'S

What is the age minimum to rent equipment?

Renters must be at least 18 years of age.

What are your rates?

Daily - Pickup after 3pm the day before your shoot and return the day after by 10am.

Weekend - Pickup Friday, return Monday, only pay for a 1 day rental!

Weekly - 7 day rental for the price of 4 days.

Monthly - 30 day rental for the price of 12 days.

What essentials are included with my camera rental?

We believe in supplying you with the extra essentials rather than charging for an extra battery and memory a la carte. Typically our cameras include a memory card, 2 batteries, battery charger, and a carrying case so you are prepped and ready for your shoot. Neck straps and cables are available on request.

What do I need to bring with me when I pick up my rental?

Please bring a valid ID and credit card for any required deposit.

First time renters are subject to a full retail value credit authorization at the time of pickup. Depending on the value of the gear you're renting, a Certificate of Insurance may be required. Please see below for more details.

How far in advance can I make a reservation?

We accept reservations up to 3 months in advance and recommend at least 2-5 days in advance. Walk-ins are always welcome.

Can someone else pick up my rental for me?

Yes, either the person picking up the gear can put the deposit on their own card, or you can email us your info ahead of time. You will need to call or email ahead of time to let us know who is authorized to pick up on your behalf. For more information, please call or email us.

What if I'm late dropping off my rental?

Drop-offs are due by 10am, but we do have a one hour grace period. After the grace period we will charge an additional day rate.

What is a credit authorization?

When you pick up, we run a deposit/security hold on your credit card. It will put the funds into a pending hold until the equipment is returned, and it may take two to ten business days to fall off depending on which bank you use. Please call or email us if you have specific questions on the deposit hold.

Will I be charged for a cancellation?

We appreciate a 24 hour notice when possible for cancellations. As of right now, we are not charging for cancellations.

What if I forget to return part of my rental?

We understand that items get misplaced, we normally give you two days to find and return missing items. After that we charge you for the missing items. If transportation is an issue you can always ship the missing items back to us or send them with a friend.

Damaged equipment?

We ask that the equipment is returned in the same condition as picked up. Standard wear and tear is no big deal, but damage to the equipment will need to be repaired and paid for by the customer. If the equipment is unable to be repaired, we will charge for the replacement.

FAQ'S

All equipment is rented in good working order.

If it is found to be in inoperative condition, please call immediately so that a trade can be arranged. It is the renter's responsibility to check equipment at the time of rental to verify acceptability of usage.

What are the insurance requirements?

Glazer's Camera must be added to your policy as a Loss Payee and/or Certificate Holder. The certificate must list the policy number, insurance limit and deductible. Insurance Agent's information on the certificate must be up to date and expiration date must be current.

Please provide your insurance company with our information to add Glazer's as a loss payee:

Insurance certificates can be emailed to

How do you handle Deposits?

Deposit is always required unless you have a charge account with Glazer's. The deposit will be the replacement cost of the equipment and is run as an authorization hold on a credit card at the time of pickup. The authorization will hold the deposit amount for 2 - 10 business days after the return of the gear. Using the same card for payment as the deposit will remove the deposit quicker.

Does Glazer's Offer Try Before You Buy?

Yes, we do! A one day rental cost can go towards the purchase of the same product from our retail store within 30 days of renting. Please call our main store for more information.
