Brand new product, Loewe Iconic.

For over 80 years, Loewe has invented television, they have kept their “Made in Germany” promise. Loewe systems are designed to last and have emphasis on economic energy consumption. Modular technology, premium materials, precise workmanship, regular software updates and, not least, timeless design, guarantee the great feeling of owning a sustainable product.

And after 4 years of silence,  
they are now in Turkey and only at JUSTSTANDART.
