PRESS RELEASE

Levo Launches First-of-its-Kind LUGGAGE WORK STATION

The Levo Luggage Tray securely snaps on suitcase handles to hold your tablet or books for comfortable productivity and turns a suitcase into a portable desk or entertainment center.

Item # 33121
Size: 11 x 5.5 x 1 inches
Weight: 0.5 lbs
Custom Colors Available

LAKELAND FLORIDA, JANUARY 6, 2015:

LEVO's innovative G2 Luggage Tray solves the problem of juggling a tablet when travelling by creating a secure workstation on top of your suitcase. The tray quickly snaps into place on the luggage handle and holds not only tablets but anything up to 3 lbs. - books, snacks, or paperwork.

Everything easily unsnaps and stores in a purse, briefcase or carry-on. The G2 Luggage Tray turns waiting for a plane or train into productive time –whether you're working or just surfing.

This new gadget is ideal for travellers, business people or entertaining kids on long trips. It makes waiting and travel delays a little more tolerable.

The G2 Luggage Tray is available worldwide by ordering online at LEVOstore.com and ship within days.

LEVO is a global leader in tablet and e-reader stands and is trusted around the world.
