User Manual

Thank you for choosing MOMAN product. Please read this manual carefully before use and follow all instructions mentioned herein.

Caring For Your MOMAN Product

- Please keep the product in a dry, clean, dust-free environment.
- Keep corrosive chemicals, liquids and heat source away from the product to prevent mechanics damage.
- Use only a soft and dry cloth for cleaning the product.
- Malfunction may be caused by dropping, impact of external force.
- Do not attempt to disassemble the product. Doing so voids warranty.
- Please have the product checked or repaired by authorized technicians if any malfunctions happened.
- Failure to follow all the instructions may result in mechanics damage.
- Warranty does not apply to human errors.

Package List

Suspension Scissor Arm Stand x1

Pop Filte x1

Clamp x1

Shock Mount x1

Cable Ties x3

Operations

1. Regulate [A] to make the clamp adapt to surface such as desk, shelf, counter, and tighten the screw.
2. Fix the arm stand to the clamp through [B] and stabilize it by spinning. Then, regulate the angle of the arm stand and adjust the 3/8" screw to an appropriate angle through [C].
3. Install the shock mount to the arm stand through 3/8" screw by spinning the shock mount.

4. Fix the microphone to the shock mount by adjusting [D]. Then, adapt the shock mount as per you need by altering [E].
5. Adjust the clamp of the pop filter to the arm stand and tighten [F], and adapt the pop filter to the suitable position.
6. Use the cable ties to organize the cables.
