

Leather Firewood Sling

POPOV LEATHER

HANDMADE SINCE 2013

- Print 1 copy in Portrait 100% scale

- Use this ruler to check for proper measurement

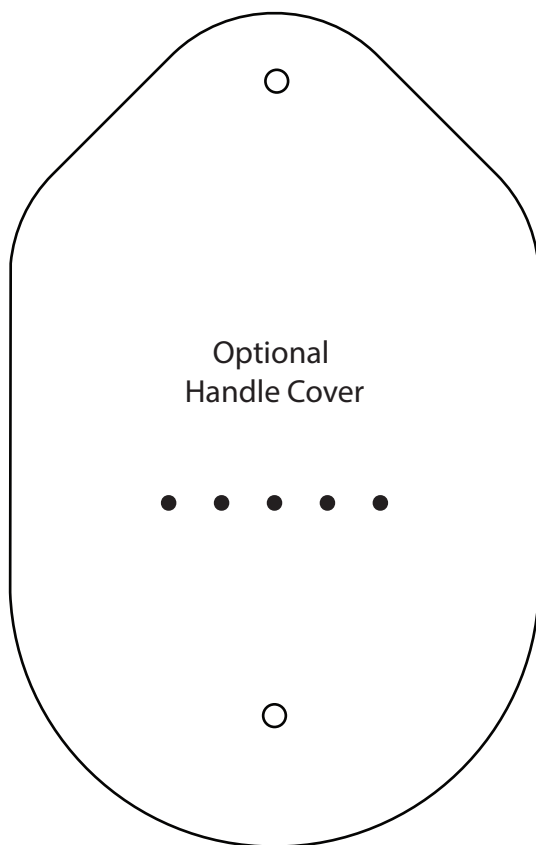

- Mark and trace pattern on to leather. Use a sharp blade to cut out the pattern.

- Cut straps to 22" and use Strap End pattern to mark hole positions.

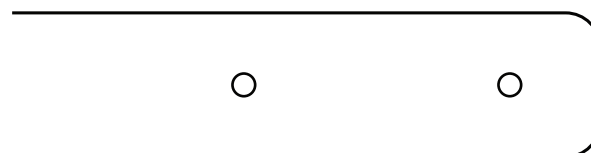

- If you use the optional handle cover, mark the center of one of the straps and use it as a guideline to mark and punch the stitch holes.

- Use a 3mm punch for the Rivet holes.

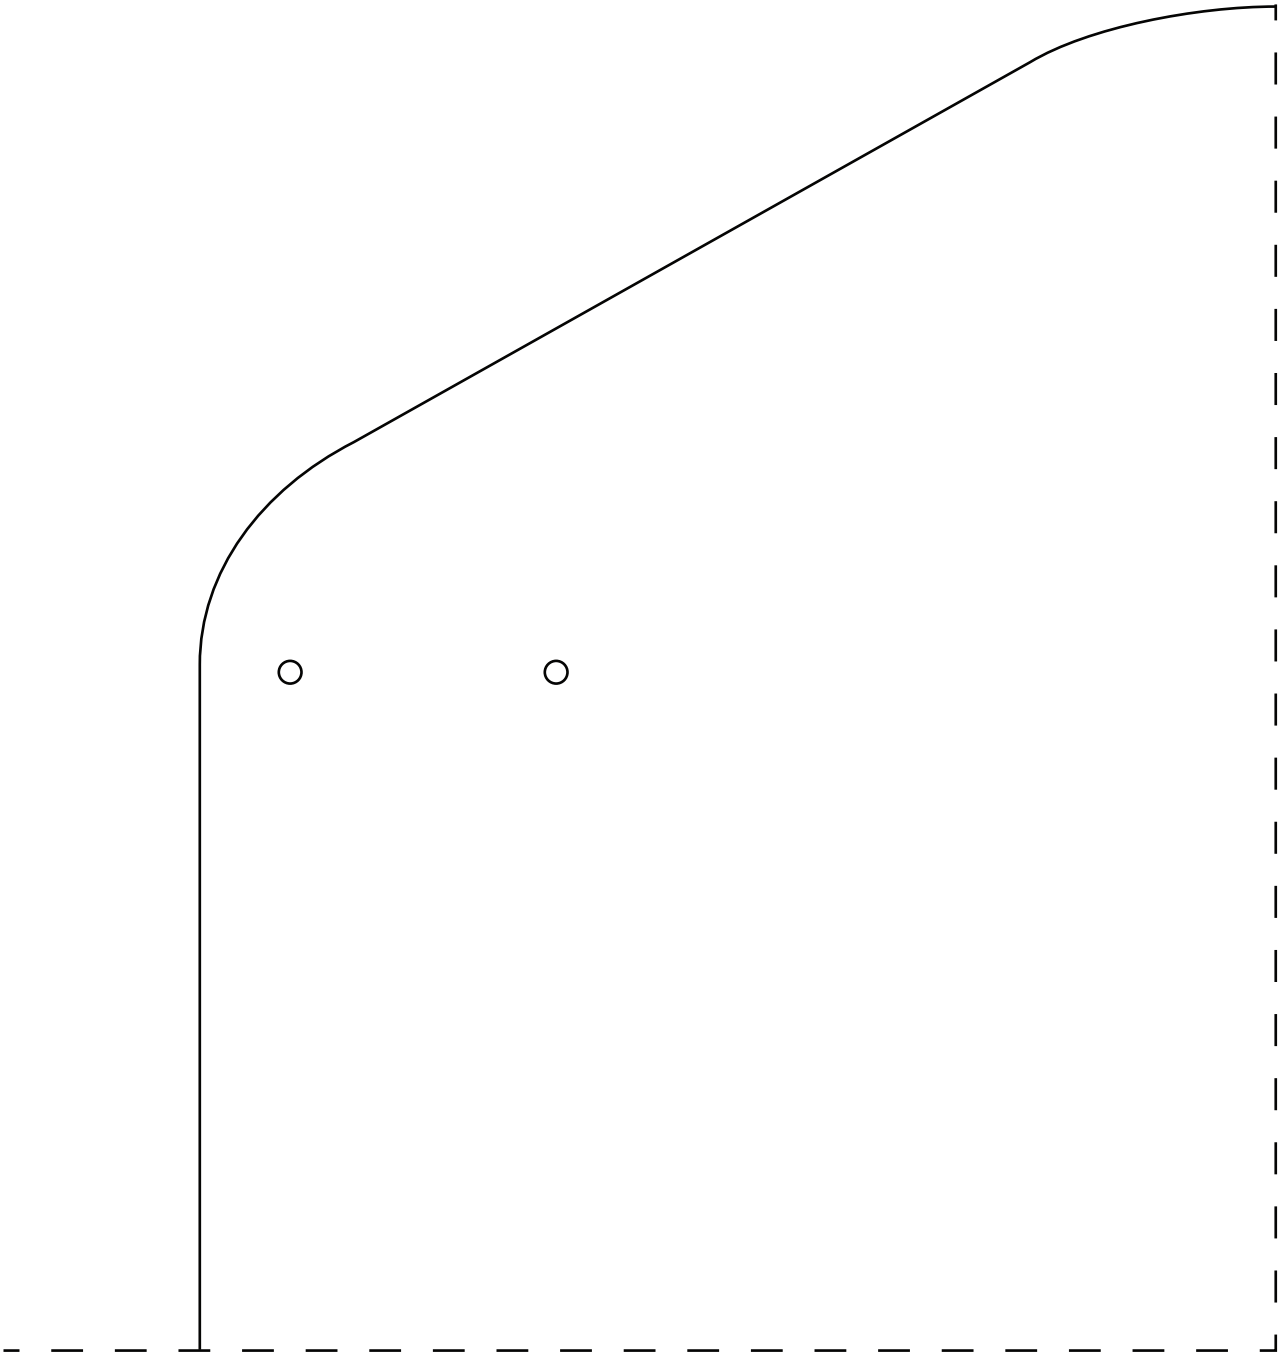

- Follow the video for assembly and sewing instructions.
