

CHOOSE YOUR POPOV LEATHER SHOE SIZE

- FOLD -

Method 1:

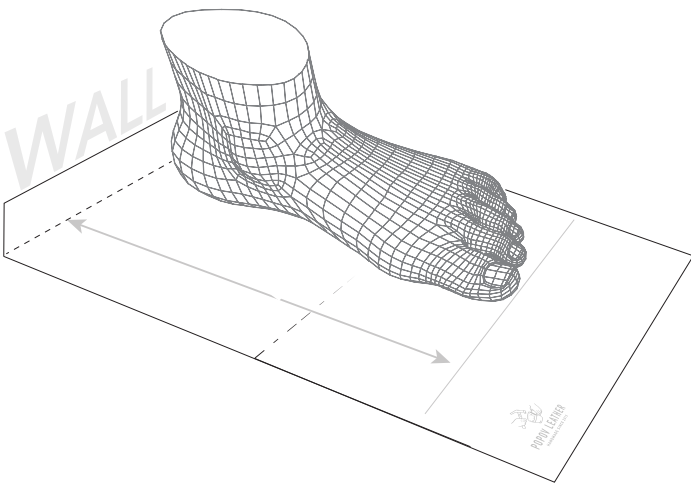

Our sizing matches standard US Mens sizing, if you know your size and are comfortable with that order your usual size. Our shoes fit an average foot width or D.

Method 2:

If you want to find the best fit, use this guide.

Steps:

1. Print in portrait at 100% scale on 2 pages.
2. Use a ruler to match this measurement:

3. Fold on the dotted top line toward you
4. Cut on the cut line below. ✂
5. Tape pages together carefully, lining up the circles
6. Place folded edge of paper against a wall
7. Put your heel against the wall on top of the printout
8. Measure to your longest toe on both feet to determine your size.
