

Introducing the Clover Mini Swivel Stand

Your Mini, for both you and your customers

Start the order, add items, and with one hand turn Clover Mini around so your customer can pay on the beautiful display.

Beautifully White. Aesthetically Efficient

Mini Swivel is designed to be just as gorgeous as your Clover Mini. Made with the same soft reflective white polycarbonate and aluminum materials that make Clover Mini beautiful for your business and your customers.

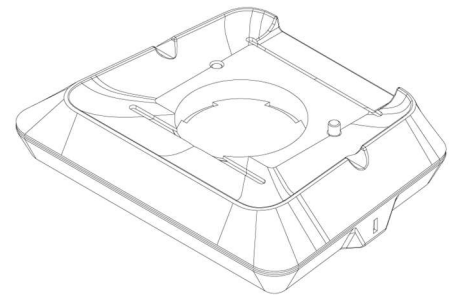

Patent-Pending Swivel Technology

Mini Swivel is designed to snap into place for you and your customer, yet still be easy enough to turn with one hand. 180° clockwise or counter-clockwise, Mini Swivel always glides into place.

Mini Swivel Compatibility

Mini Swivel is compatible with the following Clover devices:

- Clover Mini POS C300
- Clover Mini POS C301
