Discount Credit Card Supply (DCCS) Appears on the 2023 Inc. 5000 Annual List for the 5th Time, Ranking No. 2177

August 15, 2023 7:00 AM Eastern Daylight Time

NEW YORK--(BUSINESS WIRE)--Today, Inc. revealed that [DISCOUNT CREDIT CARD SUPPLY](#) is No. 2177 on its annual Inc. 5000 list, the most prestigious ranking of the fastest-growing private companies in America. The list represents a unique look at the most successful companies within the economy's most dynamic segments. Microsoft, Zappos and many other well-known names gained their first national exposure as honorees on the Inc. 5000.

[Discount Credit Card Supply](#) has achieved remarkable growth amidst business uncertainties. In an era marked by unprecedented challenges and shifting market dynamics, DCCS stands out as a beacon of resilience and innovation.

President Adam Kaplan expressed, "Navigating through this intricate and unpredictable business environment, we have not only weathered the storm but also consistently outperformed our own expectations, thereby earning this Inc. 5000 honor for the fifth time in eight years. Our strategy of introducing novel products and inventive solutions aimed at streamlining payment processes has been pivotal in driving our success."

"Our commitment to our customers' success has been the cornerstone of our accomplishments", said Kaplan. "We take pride in being a reliable partner that not only resolves equipment and technology challenges but also delivers consistent results."

DCCS' unwavering dedication has resonated deeply with its loyal customer base. A customer shared: "When it comes to tackling our equipment and technology hurdles, DCCS is outstanding. Their unwavering support has been invaluable."

As the electronic and retail payment sector becomes increasingly intricate and competitive, DCCS continues to thrive. The company's ability to anticipate market shifts, introduce innovative solutions, and provide unwavering customer-centric support sets it apart.

[Discount Credit Card Supply](#) (DCCS) emerges as a pioneering force in the payments industry as a technology driven, full solution provider. DCCS supplies new and refurbished point of sale (POS) equipment to agents, wholesalers, ecommerce marketplaces and merchants of all sizes. With a holistic approach, DCCS operates as a certified Encryption house, [full-service repair](#) and refurbishing center and [paper supply warehouse](#), and offers deployment, same-day shipping services, rentals and software applications. What sets DCCS apart is its commitment to comprehensive solutions including a curated selection of customized accessories from ergonomic [terminal stands](#) to [protective covers](#) and convenient [carrying cases](#) which amplify efficiency, heighten security, and streamline the point-of-sale experience for merchants and consumers alike.
