First Data RP10 Installation Instructions

You have made a great choice to protect your device from germs, spills and grime while extending the life of your terminal.

Instructions:

1. DO NOT REMOVE THE WHITE MYLAR STRIPS YET.

2. Place the cover on the device.

3. Keeping the cover in place with one hand, remove the FRONT white Mylar strip with the other hand. Secure down.

*If the tape comes off with the white strip, simply reapply the tape to the cover and carefully separate the tape from the white Mylar.

4. Secure the LEFT side next by removing the white strip.

5. Next secure the RIGHT side.

6. Smooth down the cover and adhere the BACK strip.

7. Check and smooth down any bubbles. You can safely lift up the edge to stretch and reapply the cover.

And now your screen is protected!

Tips for Care and Use:

- This cover is durable, but it is made of plastic, so treat it gently.

- Do not use sharp objects or pens as they may puncture the cover.

- Clean with a damp cloth or antibacterial wipe.

- Do not remove the cover to clean it.
