Verifone P200/P400/V200/V400/V400M Full Device Spill Cover Installation Instructions

CONGRATULATIONS!

You have made a great choice to protect your device from germs, spills and grime while extending the life of your terminal.

INSTRUCTIONS:

1. Clean the device so that it is free of dust and grime. Let dry.
2. Take off just the white mylar tape strip off of the middle tape.
3. Flip up the edges of the bottom keyboard section. Align the cover over the keypad. Take off the three bottom white strips.
4. Flip down the three bottom sides and adhere the tape.
5. Flip up the three edges of the top screen section. Take off all three white strips.
6. Moving from the bottom of the screen to the top, adhere the glue strips to the device. Adhere the top strip last by flipping it down.
7. Finish by smoothing down the bubbles, and adjusting the fit.

Tips for Care and Use:

- This cover is durable but it is made of plastic, so treat it gently.
- Do not use sharp objects or pens as they may puncture the cover.
- Clean with a damp cloth or antibacterial wipe.
- Do not remove the cover to clean it.
