

Let's set up your 1 seat module

WATTLE.

- 1 Unbox and locate the front of the seat**
Peel back velcro at arrows to locate the fabric care label X. The fabric care label indicates the front of the seat.

- 2 Refasten velcro**

3

Remove legs and brackets

The legs will either be secured in the zip pocket under the seat, or packed separately in their own box. Joiner brackets are always secured in the zip pocket under the seat

Deliveries with
separate leg boxes

Deliveries without
separate leg boxes

Do not open zip more than 30cm

4 **Insert legs into seat**
If you're unable to fully insert the legs with your hands, tap with a mallet.
