FIBRE-METAL®

The QuickSwitch™ System

The QuickSwitch™ system is all about speed and increases productivity without any compromise to worker safety.

Three mounting options for faceshields and welding helmets ensure compatibility with Fibre-Metal® helmets.

A. Speedy-Loop™

Ideal for frequent on/off use of welding helmets, faceshields and goggles in combination with protective caps.

- Quick switching between tasks – mounts directly on protective cap
- No tools or hardware required – adjusts to fit any cap style
- Does not affect dielectric rating of cap

Part Number	Description
HON5000	Speedy-Loop™

Quick-Lok™ Blades

Adapts most popular brands of slotted caps for use with the Quick-Lok™ mounting system.

- Mounting blades snap securely into slots on cap
- Mounting cups attach securely to welding masks, faceshields and goggles
- Switch accessories in seconds – without tools

Part Number	Description
HON6000	Quick-Lok™ Blades

Quick-Lok™ Adapter Kit

Provides a mounting solution for longer-term combination use or high activity applications.

- Mounting blocks screw onto protective cap
- Mounting cups attach securely to welding masks, faceshields and goggles – without tools
- Switch accessories in seconds – without tools

Part Number	Description
HON4000	Model 4000 Quick-Lok™ Kit

B. High Performance® Headgear

- Made from Noryl®, faceshields are stronger, more durable and more heat resistant than ordinary faceshields
- Choose from a 4" or 7" deep crown protector
- Features the adjustable Speedy-Loop™ Mounting System
- Designed for wide vision with extended-view windows and screens
- Exclusive Channel Grip System mounts windows and screens and locks them in place in a deep, recessed channel to form a perfect seal, keeping dust, dirt and debris out
- Model 3-C replacement headgear secures for a comfortable fit
- Windows sold separately
- Meets ANSI Z87.1 and CSA Z94.3

Part Number	Description
HONF400	F-400 Faceshield with 4" Crown Ratchet Headband
HONF500	F-500 Faceshield with 7" Crown Ratchet Headband
HONF5400	F-400 Faceshield with 4" Crown and Speedy-Loop™ Mounting System
HONF5500	F-500 Faceshield with 7" Crown and Speedy-Loop™ Mounting System
HON3C	Replacement Headgear for Welding Helmets

C. High Performance® Faceshield and Hard Hat Adapter

- Fully dielectric mounting bracket provides a positive seal between protective cap or full brim hat and faceshield to protect from debris
- Faceshield may be pivoted above the cap or hat without removing it between uses
- Windows sold separately

Part Number	Description
HONFM70	Peak Mounted Faceshield for Cap
HONFM71	Peak Mounted Faceshield for E-1 Hat
