

# MURAD

Since 1985, Dr Howard Murad MD has pioneered a unique approach to skin health with customised treatments that not only help to reduce stress but also offer visible results without any downtime.

## MURAD METHOD CUSTOMISED FACIAL

Completely personalised to your skin's needs, this results-focused facial treatment can address your key skin concerns including pigmentation, lines and wrinkles and blemishes. Prior to treatment experience a personalised skin-imaging analysis to identify your skin concerns and customise your treatment. The Murad Method facial process includes a deep cleanse, professional strength peel or powerful treatment and a de-stressing facial massage.
