## The Ultimate COOL

**Mister-Comfort** has been providing cooling relief since 2006, becoming the leading choice for pleasure, sports and recreational applications. We have developed a misting system specifically designed for golf carts. That doesn't mean it's just for golf, this system is perfect for any recreational or commercial golf cart application.

#### System Features Include:

- High/Low mist control
- High/Low fan speed control
- Quiet operation
- Modular compact design
- IP67 rated components
- 2-3 hr. installation time
- COOLING for 18 holes with just one refill
- 12vdc; 2.4 amp draw
- Patented
- One-year warranty

**TWO Turbo misting fans**

"It's so HOT I didn't enjoy playing golf anymore until I discovered Mister-Comfort's golf cart misting system. I can now play an entire round of golf and not get overheated"
