## HI THERE!

My name is Jenifer and I am the owner of JM Botanicals, a holistic handcrafted skincare brand.

I've been a formulator for over 10 years but didn't officially launch until 2019 and have crafted my business to always provide nourishing products made from carefully sourced & eco certified ingredients.

Here at JMB, we offer everything from Moisturizing Handcrafted Soaps, Therapeutic Shower Steamers, Luscious Bath Bombs, Nourishing Body Oils and more!

Thank you for stopping by and supporting this bubbly obsession of mine
