Truck Assistant

The Delivery Assistant is a physical, fast-paced position providing direct support to a Delivery Driver. As a Delivery Assistant, you will not be driving the delivery truck. You will be bending, lifting, and walking on a daily basis. Similar to our Delivery Drivers, you also represent the face of our company to our customers. Great customer service skills are a plus!

Responsibilities

- Ride along with senior delivery personnel in order to learn routes and delivery procedures
- Assist in assembling orders as per sales order request.
- Assist in loading the trucks
- Assist the Driver's efforts to ensure accurate and on-time deliveries.
- Work safely to prevent injury to people and damage to products.
- Perform warehouse duties, from time to time, to keep the facility clean, tidy and stocked as required.
- Occasionally it may be necessary to assign other duties to fulfil the business requirements of the Company.

Performance Standards

- Demonstrating outstanding customer service.
- Ability to follow directions
- Ability to work harmoniously with co-workers and perform duties and responsibilities in a manner consistent with the company's value of exhibiting the highest quality standards in all endeavours
- Good timekeeping and attendance
- Must be willing to work flexible schedule to ensure the smooth running of the department.
