HOW TO READ A WOOBLES PATTERN

Rnd 3.

[sc, inc] x6 (18)

● **Round**

● **What stitches to do this round, and
how many times**

● **Total number of stitches in this round**

For round 3, repeat the pattern in the brackets 6 times. The pattern is: single crochet in 1 stitch, then increase stitch in the next stitch. Because an increase is actually 2 single crochet stitches in the same stitch of the previous round, the total number of stitches in this round is 18.

BOW

Step 1.

Drape an arm's length of yarn over the center of the top of the present.

Step 2.

Flip the present upside down so the bottom is facing up. Wrap the yarn tails around the present. Cross them so they're perpendicular to the yarn that was just wrapped around the present.

Step 3.

Flip the present over so the top is facing up again. Tie the yarn together so the top is snug against the lid.

Step 4.

Tie a bow with the remaining yarn, and cut the ends so they are even.
