

TINY SANTA HAT

THE  
WOOBLES

# SETUP

## MATERIALS

4mm crochet hook

Tapestry needle

Red medium-weight  
yarn (3 yds)

White medium-weight  
yarn (3 yds)

Scissors  
(not included)

## HOW TO READ A WOOBLES PATTERN

For round 3, repeat the pattern in the brackets 6 times. The pattern is: single crochet in 1 stitch, then increase stitch in the next stitch. Because an increase is actually 2 single crochet stitches in the same stitch of the previous round, the total number of stitches in this round is 18.

## ABBREVIATIONS

This pattern is written in US terminology, and crocheted in continuous rounds. Watch video tutorials at [thewobles.com/tutorials](https://thewobles.com/tutorials)

**sc** single crochet  
**inc** increase (2 sc in the same hole)  
**rnd** round

# PATTERN

---

## HAT

With red and white yarn.

**Rnd 1.** start 4 sc in a magic loop (4)

**Rnd 2.** 4 sc (4)

**Rnd 3.** 4 inc (8)

**Rnd 4.** 8 sc (8)

**Rnd 5.** [inc, sc] x 4 (12)

**Rnd 6.** 12 sc (12)

**TIP** You're changing colors in the next round. Remember to switch colors in the last step of the stitch before the color change.

**Rnds 7-8.** (switch to white yarn) 12 sc (12)

Cut the red yarn. Invisible fasten off the white yarn and weave in the tail. Roll up the brim so it lays flat against the hat.

## POM-POM

With white yarn.

Cut an arm's length of yarn and set it aside. You'll use this later to hold the pom-pom together and sew it to the hat. With the rest of the yarn and a fork (prongs pointing to the right), make the body of the pom-pom:

### Step 1.

Hold the yarn tail at the bottom left-hand corner of the fork; then wrap it over the second prong of the fork.

### Step 2.

Wrap the yarn under the third prong and over the first prong.

### Step 3.

Wrap the yarn around the top and bottom prongs of the fork 15 times. Then cut the yarn.

### Step 4.

Take the arm's length of yarn you set aside earlier and double knot it very tightly around the middle of the yarn wrapped around the fork.

### Step 5.

Slide the yarn off of the fork and cut open the loops.

### Step 6.

Trim the yarn until it looks like a fluffy sphere. Make sure you don't cut the yarn tails from the arm's length of yarn that's holding the middle of the pom-pom together!

### Step 7.

Place the pom-pom at the top of the hat. Using a hook or needle, carefully pull one yarn tail through the center tip of the hat, and pull the other yarn tail through a hole one stitch away.

### Step 8.

At this point, both yarn tails should be on the inside of the hat. Double knot the two tails as close as possible to the hat. Cut the tails so that there's still some tail left, but short enough that the hat hides them.

**TIP** Flip the hat inside out to make sure you knot the yarn tails as close to the hat as possible.
