

Lions Quest at Brandon University

We are thrilled to share that we recently completed another training session with the Faculty of Education Students at Brandon University. The commitment and enthusiasm that we witnessed at the workshop will certainly translate into safe & caring classrooms in the future. Here are some of their comments:

"This was a wonderful and valuable workshop."

"This is an effective professional development workshop, I enjoyed every part and excited to implement it in my future classrooms."

"Everything was straight forward and easy to implement! I'm very excited to use these resources."

"This was an exceptional workshop and taught me a lot about Social Emotional Learning - I will definitely be using this content in my classroom."

Letter from Board Chair PVDG Michael Stanford

We recently asked the District Lions Quest Chairs to share this important letter from our Board Chair with you - just in case you haven't seen it, we are also including it here.

2024 Letter from Lions Quest Chair

Thank You!

difference for children & youth.

The current Donation/Activity report can be found at this <u>link</u>. You can also find the new Awards & Fellowship application form on that page.

Upcoming Workshop Dates

We have a number of upcoming workshops for schools & communities in British Columbia & Ontario.

Please check our website for dates & locations!

Special Opportunity in March!!

Monthly donations are a great way to make an big impact and help us achieve our goals for the year. With your help, we can continue our work to equip the "villagers" with the tools and resources to support the development of healthy, capable young people.

For a limited time, we can help increase the impact of your gift. Throughout March, create a new monthly gift of \$20 or more in support of Lions Quest Canada, and CanadaHelps will make

a one-time extra \$20 donation to our charity!
