## Special Opportunity in March

Monthly donations are a great way to make an big impact and help us achieve our goals for the year. With your help, we can continue our work to equip the "villagers" with the tools and resources to support the development of healthy, capable young people. For a limited time, we can help increase the impact of your gift. Throughout March, create a new monthly gift of \$20 or more in support of Lions Quest Canada, and CanadaHelps will make a one-time extra \$20 donation to our charity!

### "A Tree is Not a Forest"

A recent blog from Search Institute provides an overview of their learning about Developmental Relationships over decades of research. Some of the key takeaways are:

"A tree is not a forest": the ecosystem matters - families, schools & organizations make up a relational ecosystem.

The five elements of the Developmental Relationships Framework help young people thrive.

- Express Care
- Challenge Growth
- Provide Support
- Share Power
- Expand Possibilities

Developmental Relationships have a positive impact on youth outcomes and not all young people have them.

It takes intention and we need to more inclusive.

It's a journey, not a destination.
