What are people are saying about Lions Quest Canada?

"I am a youth and I got to share my opinion."

"I am overwhelmingly impressed with the Lions Quest resources. I find the details included in all the lessons and material very useful. I especially like how the lessons are broken down into the 4 components, each with their own specific purpose. This will be useful for both teaching and for students understanding of the lessons. I am hoping through the program I can assist students in developing their awareness of SEL and all that it encompasses."

"Teaching virtually using your Kindergarten lessons was extremely successful because each lesson is easily adaptable to the individual differences among students and engages them through stories, connections, and inquiry questions."

Denise Sonegra, Elementary Teacher, McCaskill's Mills Public School, (Sept 2020)

"I plan to use the knowledge & ideas I gained to work to further enhance my relationships with the youth I engage with and go out of my comfort zone to engage."

"Lions Quest is going to build personal and social responsibility in my students by allowing them to learn each skill in depth and getting them to showcase their strengths and learn the strengths of their peers. As a group we will be able to identify positive and effective ways to deal with conflicts and to strengthen the relationships we have in and outside of school."

"This (community workshop) really made us think outside the box and realize what we can do to help support children & youth."

Waywayseecappo School decided to use Lions Quest as a school wide social skills resource because we wanted a program that could be used by all teachers for all students with plans, ideas for delivery and was proven to improve student outcomes. We also use the Seven Teachings in our school and realized we can combine this with Lions Quest. Training all the teachers was a priority and we are grateful this was able to be done in our school. The parents and community are part of Lions Quest and we hope to create a stronger relationship with them through the program.

Troy Luhowy, Principal, Waywyaseecappo Community School, (Feb 2020)

"Brilliant! Thank you for the knowledge & the resources (at this community capacity building workshop)!!"
