

Top 7 Reasons to Choose Lions Quest Training for Social Emotional Learning

- 1. Comprehensive Curriculum** - research-based lessons tailored to different age groups that will enhance students' emotional intelligence, resilience, empathy, decision-making skills, and more.
- 2. Easy Implementation** - user-friendly lesson plans to seamlessly incorporate SEL into your teaching practice letting you focus on what you do best – educating and inspiring your students.
- 3. Engaging & Interactive** - active learning through activities & discussions that encourage students to participate, share, and reflect in a space where they feel supported, valued, and motivated to succeed.
- 4. Positive Impact** - implemented in thousands of classrooms across Canada and worldwide with significant positive outcomes including improved academic performance, increased social competence, reduced behavioural problems, and enhanced emotional well-being.
- 5. Professional Development** - training provided to ensure that you feel confident and equipped to deliver the programs effectively along with the ability to share best practices with a network of like-minded educators.
- 6. Aligned with Curriculum** - consistent with provincial curriculum guidelines making integration into your classroom seamless with many cross-curricular applications.
- 7. Community Partnership** - supported by Lions Clubs across Canada, together you can create a positive impact that extends beyond the classroom into the community through service learning and other activities.
