

Instruction Manual Enclosed

LYOT137DB DINING CHAIR

- Please read these instructions carefully before starting assembly. We suggest you carry out the assembly on a soft surface like a carpet, so as to avoid scratching the paint. Keep children away during assembly. This item contains small parts which can be swallowed by children.
- This product was made for the explicit purpose of providing outdoor function and is not to be used as a toy. This product is for residential use only. This product is NOT intended for commercial use; unintended use will void the warranty.
- This product is not intended for use during inclement or severe weather, that includes but is not limited to rain, hail, sleet, snow, wind, freezing conditions and extreme heat.
- Please note because of the nature of cast metal, you may find roughness on the surface which enhances the beauty of the product and is not a defect.
- Aluminum is soft metal, please do not use power tools, and over tighten may strip threads or break the parts.
- When not in use, store and/or cover the product in a cool dry location. Do not locate the product near any sort of high heat. Do not use the product as a support. Do not shake or lean on the swivel chair.
- Children under the age of 10, who are near the product, should be supervised by a competent adult at all times.
- Do not discard any of packaging until you finish the assembly. Keep the assembly instructions for future reference or warranty.

1.Step 1: Place all the parts on a clean and soft surface, identify all the parts and hardware kits against parts list;

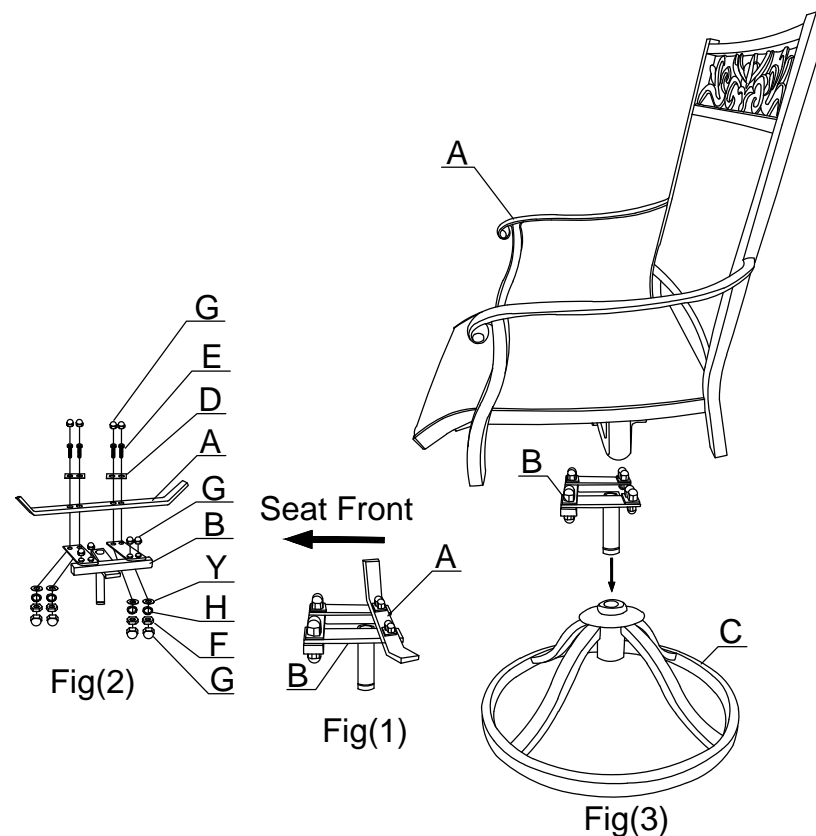

2.Step 2: Assemble Seat(A) and Connector(B) first, and make sure the direction of connector(B) is correct as Fig(1). This is very important for safe. Install hardware parts(E, D, Y, H, F) in the order displayed in Fig(2). Do not tighten the bolts and nuts before they are all set up;

3.Step 3: Tighten all the bolts and nuts with Wrench(U), then put on all the Nut Caps(G). Do not over tighten bolts and nuts, it will cause the damage of U bar of Seat(A) without warranty;

4.Step 4: Insert the installed rotating shaft into the Base(C) as Fig(3); Your chair should be ready for use. If your chair is not rocking properly, double check your assembly procedure, especially Step 3.

ATTENTION:

1. Please check the manual carefully and make sure you have received all the parts.
2. If there is any missing, please let us know the letter of the parts you need.
3. If there is any damage, please send clear photos to us, we will check and offer you best solution soon.
