

XWG-094

INSTRUCTION MANUAL

12 FT x 14 FT Steel Framed Gazebo

The gazebo comes with 4 boxes. Sometimes they may be delivered on different day, please wait 2-3 more days or contact us for help.

Note: The gazebo needs to be installed in cooperation with seven people. The following tools are not included and needed for assembly:

Pistol Drill

Tape Measure

Hammer

Screw Driver

2 m Adjustable Ladder

7 people

Warning

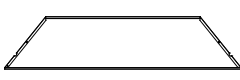

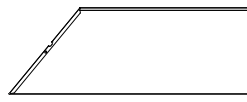

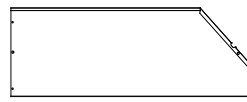

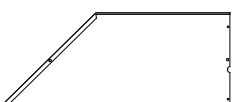

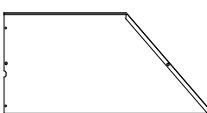

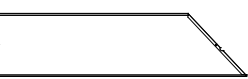

1. A 7 person assembly is required for this gazebo.
2. Please take appropriate actions as heavy rain, wind and snow can damage the gazebo. If necessary please dis-assemble and store for later use.
3. In snowy conditions, please do not allow the thickness of the snow to be more than 1.82 inch on the roof, this should be cleared as soon as possible for your safety. When the wind speed reaches 38.49 km/h, please take measures to avoid the wind.

Attention:

1. Please fix all the screws first, do not lock off, after assembling is fully completed, lock all at once finally.
2. Please check the manual carefully and make sure you have received all the parts.
3. If there is any missing, please let us know the letter of the parts you need.
4. If there is any damage, please send clear photos to us, we will check and offer you best solution soon.
