

# mobicred

for you

# What is Mobicred?

Mobicred is a revolving credit facility that can be used at any of our participating online stores.

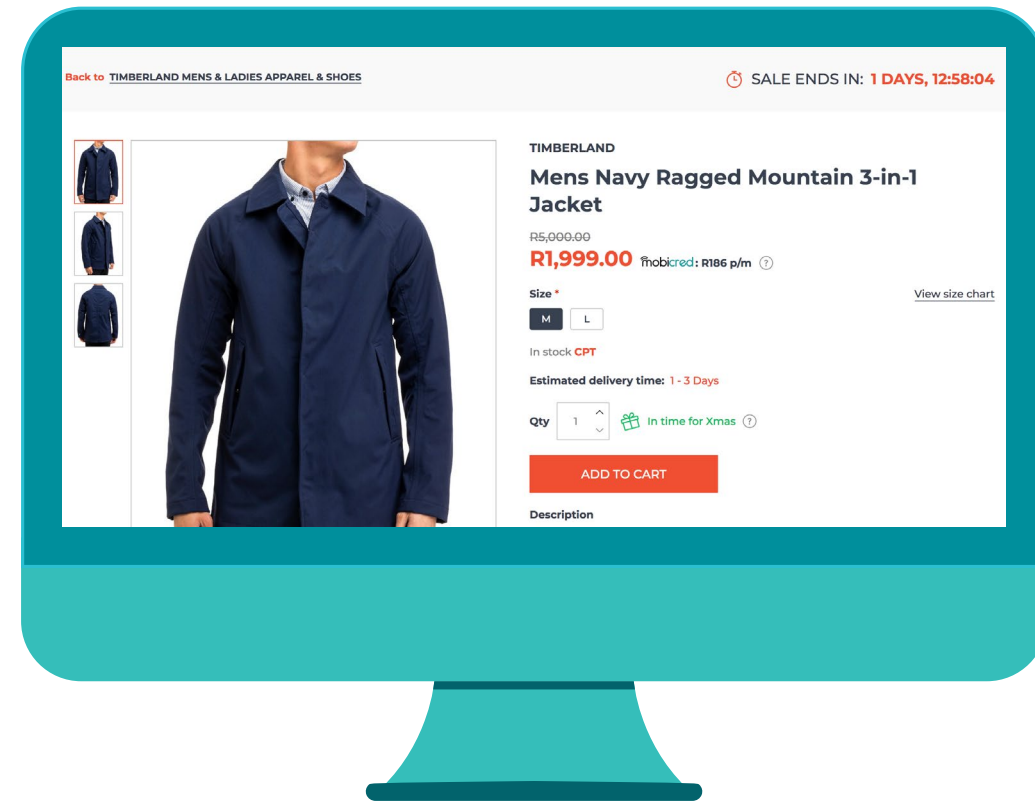

## Key information

- 01** Secure online payment method using OTPs to verify transactions
- 02** Not linked to any existing credit card or bank account
- 03** One of the fastest growing tender types for online retailers in SA
- 04** Over 1,600 online merchants
- 05** Revolving credit facilities from R4,800 - R35,000

# How it works

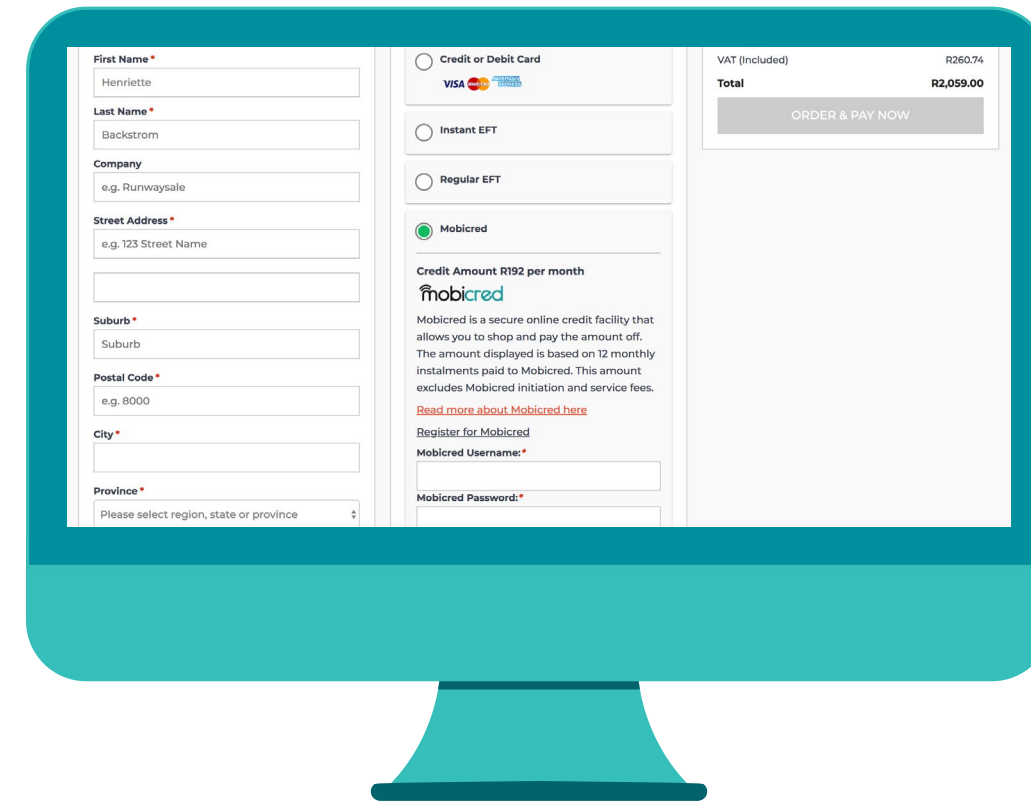

01

## Shop Online

Find an online store offering Mobicred as a payment option, add products to your cart and check-out.

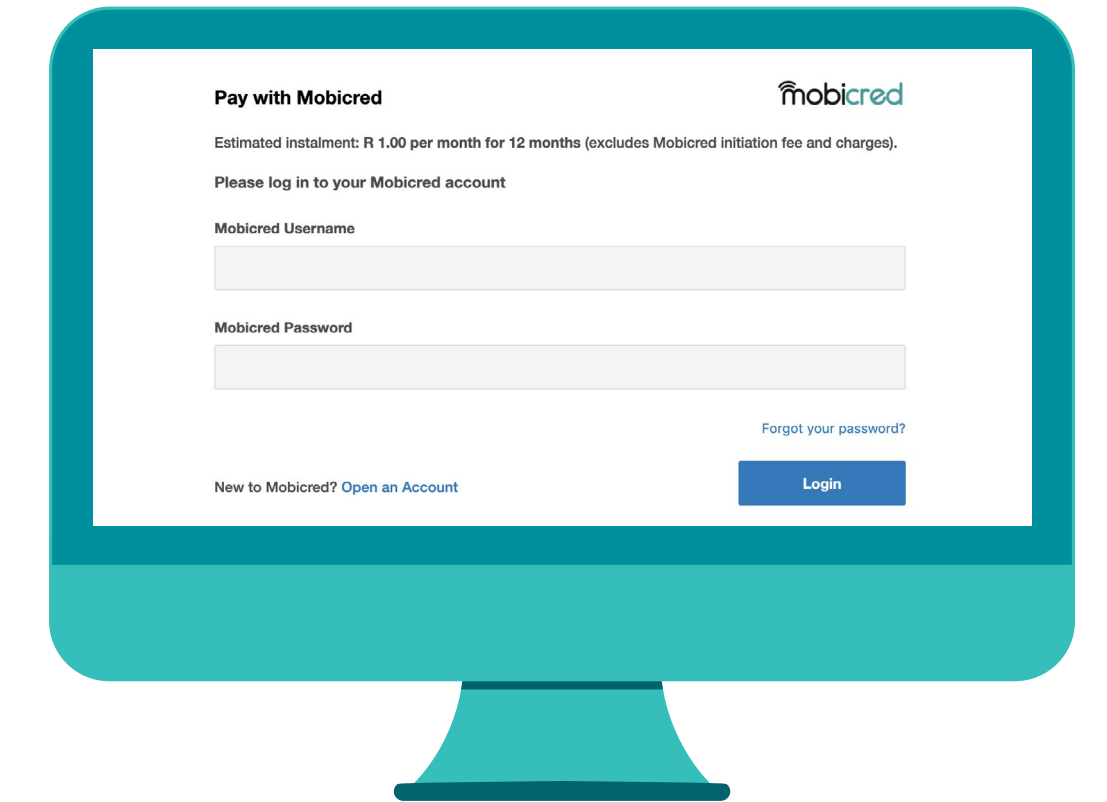

02

## Check-out

When checking out, remember to use Mobicred as your payment option.

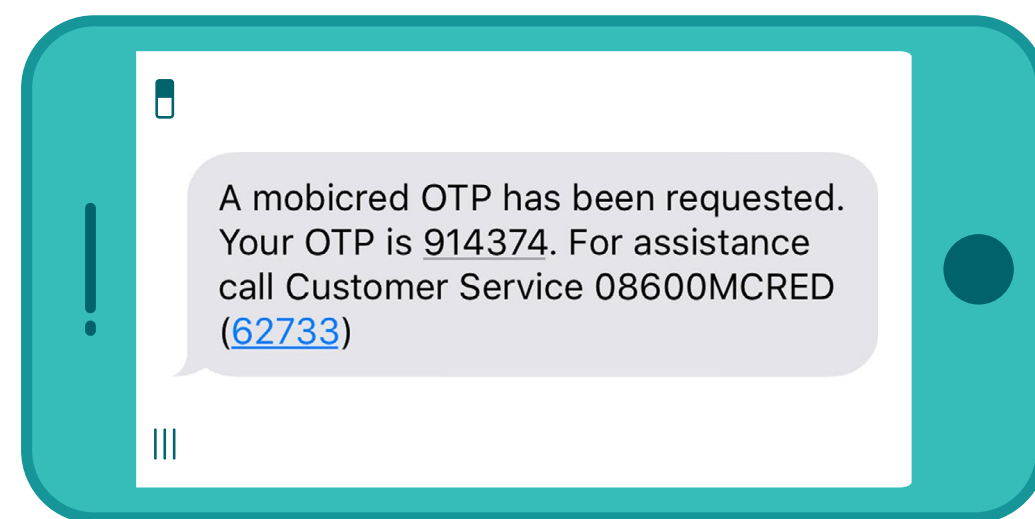

03

## Username & Password

Enter your Mobicred username and Password to verify your identity. (If you dont have a Mobicred account... click here to sign up today!)

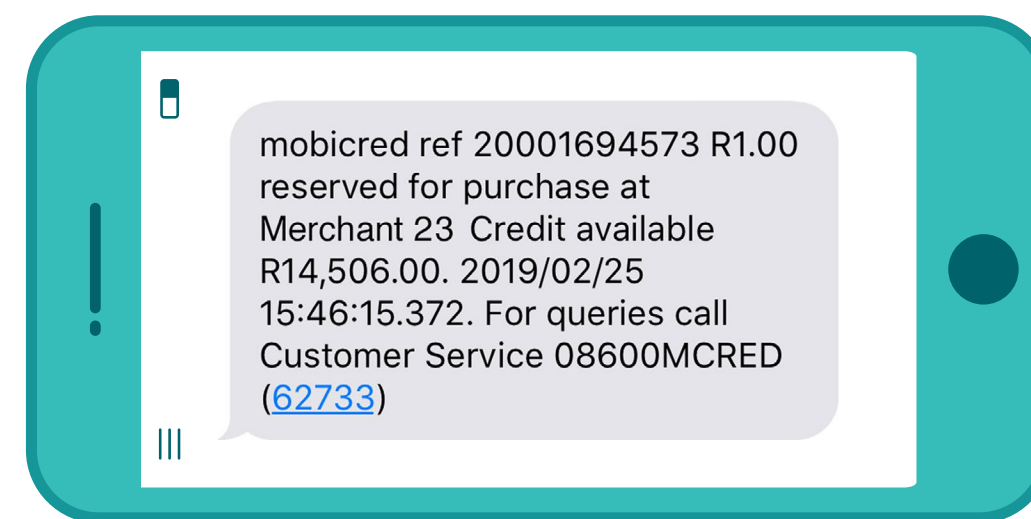

04

## Recieve & Enter

Recieve and enter the Mobicred OTP.

05

## Confirm your Purchase

Once you have entered your credentials you will receive an OTP on your mobile phone. Enter the value into the check-out form to confirm your transaction!
