

ONSCREEN allows you to have video calls with your loved ones through your TV.

It's simple, fun, secure and private.

EASY TO USE

- Set it and forget it. Once set, up you can easily receive video calls on your TV.
- No complicated apps, or having to change TV settings for each call. It just connects!
- No need to hold a device while having a video call.

FUN & ENGAGING

- Create memories together and stay connected with loved ones.
- See it, hear it, on your largest screen. It's the next best thing to being there.
- Talk with friends & family from the comfort of your own living room.

YOU'RE IN CONTROL

- Only have calls when you want, and control who can reach you.
- Feel a sense of security and continue to thrive in your own home.
- No long term contracts. Cancel when you want. Low-cost monthly service.
