NV2700

A Versatile Next-Step Combination Machine

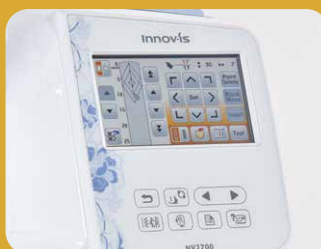

Supercharge Your Sewing & Quilting Capabilities

The generous 8.3" workspace means you can tackle large projects with ease, or just give yourself a little more space when tackling something complicated.

291 Built-In Stitches Including 10 Buttonholes

Whatever the project, there's a stitch to suit. From utility, to decorative, to buttonholes. With this many choices, the only difficulty is deciding which works best for your project.

Showcase Your Creativity with My Custom Stitch

Create your own unique stitch patterns or edit built-in stitches to make them truly yours. You can even save your creations to your machine for future use.

EMBROIDERY

Personalize Your Creations With Exquisite Embroidery

Precise LED Pointer For Perfect Needle Positioning

Let the LED needle pointer point the way to better embroidery. Drop your needle exactly where it needs to be, ensuring you always place your pattern in the right place.

Navigation Made Easy With Large Full Colour Display

Easily manage and edit your designs on the large full colour 4.9" LCD touch screen display, which includes intuitive controls right at your fingertips.

Large Working Area & Embroidery Space

The NV2700 is also equipped with an embroidery unit with a large 260 x 160 mm working area. Plenty of room to explore new designs and take your creations to the next level.
