Material	LLDPE
Specification	1150 x 1150 x 2100
Inner Size	1150 x 1150 x 1900
Capacity	Water Tank 100L / Waste Tank 100L

Water Storage and Sewage integrated toilet

This portable toilet doesn't need to connect to the water tap system which means that you can move it anywhere.

Storage and Durable

The toilet is made of LLDPE material that is strong enough to bear more weight and it can use for a long time.
