

QUALATRILE NF ELECTRONICS GRADE NITRILE 9" POWDER-FREE GLOVES

- Premium NF Nitrile Formulation
- Anti-static, surface resistance 10 ohms
- Non-Foaming when exposed to water
- Powder Free
- Beaded Cuff
- Textured Fingertips
- RoHS compliant

APPLICATIONS

- Electronics Assembly
- Semiconductor handling
- Small parts handling
- Medical component manufacturing
- Pharmaceutical manufacturing

CARE INSTRUCTIONS

Store in a cool, dry location, away from sources of light. Avoid extremes of heat or cold. Recommended storage temperature range: 50°F - 86°F (10°C - 30°C)

TECHNICAL DATA

| | |
|-----------|---|
| MATERIAL | Non-Foaming Carboxylated Acrylonitrile Butadiene Rubber, 4Mil |
| COLOR | ■ Black |
| SIZES | XS-2XL |
| WEIGHT | -- |
| PACKAGING | 100 gloves per box, 10 boxes/case |
| COO | Malaysia |
