

# HydraSmart Series

8-Stages Smart Water Filtration and Softening

# HydraSmart Series Water Softener

Automatic regeneration according to actual usage maintains quality of water

Continuous 8-steps regeneration ensures high quality water with no residues

3 adjustable salt levels allow user to minimize salt wastage and save hundreds of dollars every year

Built-in bypass feature allows flexible adjustment of water hardness and provides easy installation and maintenance

Inlet water pipe diameter: 1" BSP

Operating pressure: 20 ~ 50 psi

Rated flow rate: 1m<sup>3</sup>/h / 2m<sup>3</sup>/h

Total soft water volume: 10,000m<sup>3</sup> / 15,000m<sup>3</sup>

\* Model: PWCE16P12 / PWCE35P12

# HydraSmart Series Water Filter

Fully automated smart control system accurately controls backwash time according to user preference, giving you peace of mind

Effectively remove dirt, sediment, colour, chlorine, taste and odours as well as prevent buildup of limescale, growth of algae and fungi, and remove soluble heavy metals

Full display interface for easy viewing of information

High quality granular activated carbon

Inlet water pipe diameter: 1" BSP

Operating pressure: 20 ~ 50 psi

Rated flow rate: 2m<sup>3</sup>/h

Rated backflushing cycle: 5m<sup>3</sup>

\* Model: PCFE40P12

## HydraSmart Series

### Cost saving

Greatly reduce the use of soap and laundry detergent, as well as other cleaning products, resulting in up to 50% savings

### Bathe in comfort

Enjoy cleaner and more comfortable bath water without any foul odours

### Brighter and cleaner clothes

Clothes, bedsheets, quilt covers, curtains and other household items are silky soft, hygienic and bright after washing, with no detergent and pollutant residues

### Longer lasting appliances

Your dishwasher, washing machine, water heater, and other water-using household appliances last longer and need less maintenance when used with filtered water

### Green and eco-friendly

Innovative technology and sophisticated design improves energy efficiency and reduces environmental pollution
