

INTELLICENTER®

CONTROL SYSTEM FOR POOL AND SPA

FEATURES

- Easy to use. Intuitive user interface on touch screen with multiple controller options
- Built-in connectivity for iOS and Android mobile digital devices
- Controls pools remotely from anywhere in the world - including at home, abroad or work
- Pumps, heat pumps, chemical controllers, gas heaters and more can be controlled by IntelliCenter
- Almost limitless control capability with multiple unit connection multi-body control. Connect up to 4 pools
- Optional IntelliChlor chlorinator and IntelliChem addons for smart pool chemistry control

CONVENIENCE BY PENTAIR

Let the worlds most advanced and most flexible automation technology handle the details so you can focus on the renewal and revitalisation you've earned.

INTELLICENTER® - Technical Data

CRYSTAL-CLEAR, CHEMICALLY BALANCED WATER with the touch of a finger.

It's easy to pair an IntelliCenter Control System with sanitizing and water chemistry control systems from Pentair. The result is more time enjoying your pool or spa and less time monitoring and maintaining your water chemistry. Let the equipment do the work for you, precisely!

INTELLICHEM® WATER CHEMISTRY CONTROLLER

Perfectly balanced water with hands-free, automated ease

For the ultimate in pool chemical management, pair the IntelliChlor Salt Chlorine Generator with an IntelliChem Chemical Controller.

When combined, these two products deliver the precise amount of chemicals to keep pool water clean, clear, safer and in perfect balance...automatically

- Automatically achieves precise water balance
- Prevents excess chemical addition, assuring safer water
- Minimises chemical costs
- Flow sensor ensures chemicals won't feed without system flow

INTELLICHEM® SALT CHLORINE GENERATOR

Perfect water without handling chlorine

The IntelliChlor Salt Chlorine Generator uses common table salt to produce all the chlorine your pool needs, right in your pool—safely, effectively and automatically.

- Same sanitation performance as manual chlorine addition without the drawbacks
- No need to buy, transport and store expensive chlorine compounds
- No more odor, stinging eyes and irritated skin

EVERYTHING NEEDED FOR EFFORTLESS POOL AND SPA CONTROL from up close or around the world.

Wherever you are, the IntelliCenter® Control System for Pool and Spa makes it easier and more intuitive than ever to control your pool. Use your familiar iOS® or Android® mobile devices from anywhere in the world. IntelliCenter features new color touchscreen interfaces at the equipment pad as well as via an optional indoor control panel and/or optional wireless poolside remote. Its razor-sharp screen clarity and step-by-step instructions make operation a cinch.

IntelliCenter also has enhanced voice command capabilities through platforms like Amazon Echo®. Paradise truly has never been more portable.

COLOUR TOUCHSCREEN INTERFACE

Scheduling and operation is a cinch with the colour touchscreen interface. It displays intuitive instructions in beautifully clear text and rich colours.

EASY REMOTE CONTROL OR REMOTE ACCESS

The IntelliCenter Control System for Pool and Spa has built-in connectivity for iOS and Android mobile digital devices. It also allows control from an Apple Watch® wrist-wearable device as well as an Amazon Echo. Want to turn on heating for a warm, relaxing soak before you arrive? IntelliCenter makes it easy. It can even provide real-time alerts when an issue requires attention.

Controller options

BACKYARD CONTROLLER OPTIONS

Optional controllers make operating an IntelliCenter System easy and convenient from your backyard.

- **Indoor control panel with color touchscreen**
 - Controls all functions of the IntelliCenter Pool and Spa Control System
 - Controls items like spa jets, lights, blower, water features, etc.

 - Controls any four items like spa jets or lights
- **10-function spa-side remote**
 - Controls any 10 items like spa jets, lights, blower, water features, etc.
 - Spa temperature control
 - Controls variable speed and flow pumps

INTELLICENTER® - Technical Data

DESIGNED TO MAKE SMARTPHONES CONTROL EFFORTLESS, NO MATTER WHERE YOU ARE

IntelliCenter is designed specifically to take pool owners all the way to effortless operation from across the yard or around the world. Your backyard paradise is never more than a hand's reach away.

Check status from the other side of the world

When life takes you far from home, use your iOS device, Android device or Apple Watch to stay in touch.

Prep for relaxation from the office

Planning an after-work dip? Schedule heating hours remotely with IntelliCenter

Anywhere in your home

Make adjustments from an optional indoor control panel, a convenient wireless remote, your smartphone or simply ask Alexa™ to handle it.

Stay with the party

No need to interrupt good times with friends and family to set the perfect mood.

PRECISE, EFFORTLESS AUTOMATIC VALVE SETTING

Every pool/spa combination (pool with attached spa) IntelliCenter System comes equipped with two IntelliValve® Valve Actuators. IntelliValve Actuators offer the best flow control technology available for your backyard paradise. You can set flow for slides, water features and spillways.

Unlike competing valve actuators, setting IntelliValve Actuators doesn't require trial-and-error disassembly procedures. They're easy to set from the intuitive, push-button interface on the actuator body.

Precise accessory flow control has never been so simple!
