- 100% Chardonnay
- Sta. Rita Hills, California
- Alc. 11% by vol.
- Aged 1 months in stainless steel tank
- Natural
- 112 cases produced

Introducing our 2022 'Pét Moon White,' a naturally exuberant and spirited sparkling wine that epitomizes the essence of our estate-grown Chardonnay from Pali Vineyard. Crafted in the time-honored Pétillant Naturel (pét nat) tradition, this wine showcases the artistry of natural winemaking, valuing unadulterated simplicity and sincerity.

'Pét Moon White' emerges from spontaneous fermentations, driven by the indigenous yeasts that linger in the air and on the grape skins. As these fermentations approach their climax, but before they reach completion, the grape juice is carefully bottled. The magic of this process is that fermentation continues inside the bottle, producing a profusion of delightful, natural bubbles. The outcome is a vibrant, unassuming wine with an invigoratingly raw and appealing character.

Beneath its effervescent surface, you will uncover notes of crisp green apple, hints of white flowers, and a whisper of chalky minerality. This intricacy renders 'Pét Moon White' a versatile match for a broad spectrum of cuisines. 'Pét Moon White' truly sparkles when served chilled, straight from the refrigerator!
