Dawn is our go-to orange wine, made mostly from Pinot Gris sourced from two distinct locations: Spanish Springs Vineyard and Lucas & Lewellen Vineyard. We combine a classic skin contact technique with substantial carbonic maceration, creating a fragrant and dynamic wine.

In addition to Pinot Gris, what truly elevates "Dawn" is the inclusion of pressed Chardonnay and Pinot Noir, both grown at 'Pali Vineyard' in the Sta. Rita Hills. These varieties bring depth and a fresh acid structure, elevating 'Dawn' above its peers. Picked at the first hint of ripeness, when acidity peaks and sugars are minimal, they are harvested and pressed together, resulting in a wine that truly stands out.
