2022 'SUNSET' ROSÉ (BORDEAUX-INSPIRED)

- 43% Grenache (Rosé), 36% Mourvèdre (Rosé), 21% Syrah (Rosé)
- Central Coast, California
- Alc. 13% by vol.
- Aged 3 months in neutral French oak and stainless steel barrels
- 180 cases produced

A refined and invigorating rosé, drawing inspiration from the renowned Côtes de Provence wines of France, which are celebrated for their subtle aromas, elegant pale pink hue, and dry palate. The 2022 blend is carefully composed of 43% Grenache, 36% Mourvèdre, and 21% Syrah grapes, each variety thoughtfully selected in response to the conditions of each harvest and growing season. Aged for three months in a balanced combination of neutral French oak and stainless steel barrels, 'Sunset' exudes a light body, vibrant acidity, and a symphony of red berry, citrus, and herb flavors.

The Grenache grape imparts a fresh and fruity character to the wine, while the dark-skinned Mourvèdre grape lends structure, complexity, and depth. A dash of Syrah further bolsters the wine's complexity, contributing spicy and peppery undertones. As a versatile summer wine, 'Sunset' is perfect for indulging by the beach, poolside, or accompanying a broad array of dishes from light salads and seafood to grilled meats, pizzas, and spicy cuisine. Its radiant fruit flavors and crisp acidity make it a superb match for tangy goat cheese and salty olives, thus serving as an excellent aperitif.

Presenting a delicate rose gold hue that is reminiscent of a sunset, this wine tantalizes the senses with fragrances of strawberry, raspberry, watermelon, citrus, and floral hints. On the palate, this dry, crisp, and light-bodied wine delights with flavors of cherry, cranberry, and pomegranate, underscored by subtle mineral and herbal nuances.
