

PALI WINE CO

Welcome to **Pali Wine Co.**, where California vineyards meet careful hands.

Our tasting room is home to two connected labels: **Pali Wine Co.**, site-driven, estate and single-vineyard wines from Sta. Rita Hills, and **Neighborhood**, natural, expressive wines made with care.

Since 2005, we've made wines that reflect place, intention, and restraint, grounded in the vineyard, and guided by feel.

Whether you're here for a flight, a bottle, or a conversation, we're glad you've found your way to our table.

Make yourself at home.

A 20% gratuity will be added to parties of six or more.
We kindly ask guests not to use cash.
