

PALI WINE CO

**PALI WINE CO., 2021
ROSÉ OF PINOT NOIR**
Santa Barbara County

ABOUT OUR 2021 ROSÉ OF PINOT NOIR

This 100% Rosé of Pinot Noir is made from grapes grown on Pali's estate vineyard in the Sta. Rita Hills and other vineyards in Santa Barbara County. It's picked at low brix and pressed off after a few hours of skin contact to achieve the perfect salmon-pink color. This wine is fermented in stainless steel and then aged in a combination of neutral oak and stainless. This is a dry style rose with mouthwatering acidity that is typical of the region.

WINEMAKER NOTES

Pale salmon color. Nose offers fresh strawberries, lime peel and guava. Lively, refreshing acidity plays well with the flavors of peaches, lemons, raspberries and sea salt.

ABOUT PALI WINE CO.

To craft world class, critically acclaimed, site-specific Pinot Noirs and Chardonnays.

Our original Pali brand produces premium Pinot Noir and Chardonnay sourced primarily from vineyards in the Sta. Rita Hills and neighboring wine-growing regions. The region's terroir, including its transverse ranges, limestone rich soils, and cool ocean fog, is ideal for growing Pali's poised Pinot Noir and Chardonnay wine grapes. Pali produces a wide-range of bottlings from entry-level to esoteric vineyard and clonal-specific, from still to sparkling, and from white to pink and red. While most of our grapes come from our Sta. Rita Hills estate 'Pali Vineyard,' Pali partners with a handful of other family-owned and world-renowned vineyards in the area among the likes of Fiddlestix, Rancho La Viña, and Bien Nacido Vineyards. Most recently, Pali has introduced its 'Wild Series,' natural wines made using only wild, naturally occurring yeasts that remain unfinned and unfiltered.
