

CUSTOMIZE A BLANK SIGN, LABEL OR TAG

STAY COMPLIANT AND KEEP PEOPLE SAFE BOTH INSIDE AND OUTSIDE YOUR FACILITY.

USE YOUR OWN WORDING, COLORS, AND GRAPHICS TO COMMUNICATE POTENTIAL HAZARDS OR CONDITIONS LIKELY TO CAUSE DANGER, RISK, OR INJURY WITH THE GOAL OF KEEPING EMPLOYEES, WORKERS, AND VISITORS SAFE.

- ▶ Customize a blank sign in compliance with OSHA and ANSI sign headers using your custom wording.
- ▶ Choose the header that best fits your safety needs: Danger, Caution, Notice, Peligro, Cuidado, Aviso.
- ▶ Custom signs come in adhesive back vinyl, Fiberglass, Rigid Plastic, and Aluminum and 2 and 3 way.

SUBSTRATES AND COATINGS

- **Rigid Plastic:** Semi-flexible, chemical resistant, four mounting holes, printable on both sides
- **Standard Aluminum:** Baked enamel finish, excellent durability, weatherproof, corrosion resistant ideal for wall or fence placement
- **Pressure Sensitive Vinyl:** Long lasting for outdoors, adhesive back, allow for mounting on curved surface, also in a removable or high tack material
