

You will need:

- Thick card (colour of your choice)
- Cardboard
- Scissors
- PVA and Glue stick
- Pompoms, Gems, feathers, matchsticks etc. for

Draw out the initial you'd like to make onto the coloured card - by hand or using a stencil taken from the internet.

And that's it! A personalised door decoration in no time at all!

Cut round this with scissors or a craft knife (children will need to be supervised at this step).

Glue the card stencil to the cardboard and cut this to the same shape.

You'll need to grab all the crafting products you have to hand, whether that's feathers, pipe cleaners, gemstones or foam shapes to name a few and start gluing their desired embellishments for a design that's really personal to them.
