

## UMBRELLA BUDDY (EASY) ✓

### You will need:

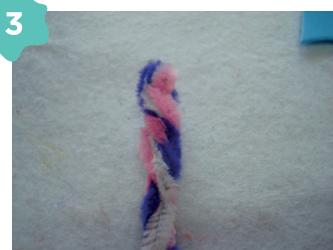

- 1 x sheet of craft foam
- 3 x pipe cleaners
- Googly eyes
- Self-adhesive foam shapes

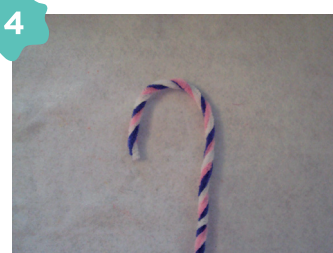

Cut 2 matching umbrella shapes from craft foam. Set aside.

Take 3 pipe cleaners and twist together.

Bend one end over and twist to hide ends of pipe cleaner.

Bend the other end of the pipe cleaners into a U shape to create a handle.

For more creative ideas and to find out about our latest products follow us on

Taking one umbrella shape glue the pipe cleaners into the centre with the top of the pipe cleaners showing at the top.

Apply glue to the rest of the umbrella shape.

Lay the second umbrella shape on top, press into place and let dry.

Whilst the glue is drying create shapes for decorating your umbrella from paper, craft foam or use the self-adhesive Edu-kit foam shapes.

Once the umbrella is dry add googly eye and a smile and decorate.
