PET FELT HEXAGON PLAIN TILES L

With these tiles, creating a stand-out design is even easier and faster. The hexagon shape ensures you have endless possibilities to make an art statement by combining different colours and patterns. Hexagon tiles have a handy size and are easy to mount on any wall.

PET FELT

PET Felt is a sustainable and durable material made from recycled plastic bottles. Thanks to its open-cellular structure, PET Felt demonstrates great acoustic properties. PET Felt panels are soft to touch, impact-resistant and easy to process.

COLOURS

Since PET Felt is a recycled material, slight colour deviations may occur between different batches. It is recommended to order the required quantity at once to make sure the tiles come from the same batch.
